## Spay/Neuter Agreement - Cat

(For a cat who is less than four months of age)

Permanent ownership of this cat (Name: \_\_\_\_\_ UAF ID # \_\_\_\_\_) is contingent upon your compliance with this Spay/Neuter Agreement. Proof of spay/neuter must be received by United Animal Friends (UAF) within fourteen (14) days after the surgery. If, for any reason, this agreement cannot be honored, UAF must be provided with a statement from the veterinarian indicating when the procedure is scheduled.

I understand that the cost of spay/neuter is included in the adoption fee if the surgery is performed by a UAF-contracted veterinarian hospital. Otherwise, I fully understand that if I choose to have another veterinarian perform the surgery it will be at my own expense with UAF issuing a partial refund of the adoption fee upon verification of the spay/neuter.

It is the responsibility of the Adopter, not the veterinarian, to ensure that United Animal Friends has received verification that the surgery has been performed. Failure to comply with this agreement by the date below, unless otherwise agreed to in writing, will be considered a breach of the contract and the Adopter will transport this cat back to United Animal Friends and will not be entitled to a refund.

By my signature below, I agree:

- To pay the required Spay/Neuter Deposit Fee shown below, which will be refunded once UAF receives proof that the cat has been spayed or neutered.
- To have this cat spayed/neutered by no later than \_\_\_\_\_, and I understand that this spay/neuter agreement is an agreement that this cat will not produce a litter of kittens either as purposely bred or by accidental breeding.
- That should this cat not be altered by the agreed-to date that I will return said cat back to United Animal Friends with no refund.
