United Animal Friends disclaims any liability associated with your use of the services of the Community. Where there is a conflict between these terms and conditions and that of the relevant social media channels, the social media channels' terms and conditions will prevail.

Through our social media channels, we strive to create dialogue with users of our Community and encourage you to share content via the Community in accordance with these terms and conditions. If, in our opinion, an individual makes use of the Community in breach of these terms and conditions, we reserve the right to remove, or to disable access to, any contribution, and to terminate, suspend or change the conditions of their access to the Community without prior warning. We also reserve the

right to bring legal proceedings against any individual for a breach of these terms and conditions, or take such other action as we reasonably deem appropriate.

We expressly exclude our liability for any loss or damage arising from the use of the Community by any person in contravention of these terms and conditions. United Animal Friends is not and will not be legally responsible for any material posted by third parties.

- Sometimes United Animal Friends automatically follows back users which follow United Animal Friends profiles within the Community. A follow-back does not constitute an endorsement; the same applies to re-tweeting or sharing messages posted on accounts that United Animal Friends does not own, or marking them as “favorites”, or otherwise sharing information on a different platform.

We want to create an open, caring and respectful Community. To help us do this, you agree that your use of the Community and your Contributions must:

Whenever you upload material to the Community, or to make contact with other users of the Community, you must comply with these terms and conditions. We also have the right to disclose your identity to any third party who is claiming that any material posted or uploaded by you to our site is defamatory of them, a violation of their intellectual property rights, or of their right to privacy.
