Courtesy Listing Program

The goal of the United Animals Friends (UAF) Courtesy Listing Program is to offer you help re-homing your pet. You are a part of the adoption process and your pet will stay in your home until a new home is found. This makes the change less traumatic for your pet.

If you need to re-home a pet, you will speak to the Courtesy Listing Coordinator who will explain the process. As part of the program, you will be asked to:

- Complete a Courtesy Listing Guardian Questionnaire.
- Provide photos and a brief biography of your pet which will be posted on UAF's website.
- Provide printed copy of spay or neuter and vaccinations. Vaccinations must be up-to-date. A printed copy of vaccinations should accompany your dog to all adoption events.
- Be available for meetings with any potential adopters and a UAF volunteer at a convenient time.
- Following a home visit and at the time of adoption, you will be required to sign a statement relinquishing your pet to the adopter.

The most effective way to re-home your pet is by participating in the in the adoption process. UAF encourages you to bring your dog to weekend adoption events. If you are unable to attend, you may prearrange to transport your pet to an event where a volunteer (if available) can supervise your pet. If you find someone interested in adopting your pet, UAF can assist you with an interview and home visit.
